Questions to start a conversation:
Seven Ways Through the Woods by Jenn Reese

Do you think it would be boring to walk on the path through the forest?

What animals do the griffin remind you of?

What can you find in the moss giant's hair?

What gift would you give to the sprite king?

What do you think the word "blissfully" means?

Where would you want a portal flower to take you?

Which way would you want to travel through the woods? Or would you stay there and play?
